

Attorney Docket No. 10040097-1

REMARKS

In an Office action dated October 5, 2005, a restriction requirement under 35 U.S.C. 121 was set forth. Two groups of claims were identified. In Group I, claims 1-11 and 17-24 were cited as being drawn to a method of making a semiconductor package. On the other hand, Group II was cited as including claims 12-16, which are drawn to a semiconductor package.

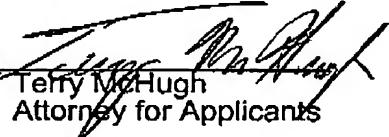

In response to the restriction requirement, Applicants elect the invention of Group I. That is, claims 1-11 and 17-24 are elected. The election is made without traverse. Claims 12-16 are therefore cancelled.

The cancellation of claims directed to the non-elected invention does not affect the naming of inventors.

In view of the election of Group I, Applicants request examination of claims 1-11 and 17-24. In the case that any issues regarding the application can be resolved expeditiously via a telephone conversation, Applicants invite the Examiner to call Terry McHugh at (650) 969-8458.

Respectfully submitted,

By _____
